

Have you ever imagined a classroom experience that transports students beyond textbooks and into the heart of maritime history, STEM discovery, and The Ocean's ecosystems? We are thrilled to announce the launch of our exciting new sponsorship program, offering an extraordinary opportunity for you to make this dream a reality for a local class of 4th or 5th graders.

NOT JUST A FIELD TRIP...

Students develop:

- Problem-solving abilities
- Communication skills
- Confidence and resilience
- A deeper understanding of STEM principles

Don't miss out on this exceptional opportunity to impact the lives of local students! Contact us today to discuss how you can become a sponsor and be part of this transformative journey. Email info@sailcco.org or call 805.696.0374 for more information.

SET SAIL FOR LEARNING & ADVENTURE

SPONSOR A CLASS TRIP ON THE MYSTIC WHALER!

IMAGINE STUDENTS

Hoisting sails, gaining practical understanding of wind patterns, angles, and teamwork

Plotting their course using charts and compasses, applying geometry and spatial reasoning in a real-world context.

Collecting and analyzing water and plankton samples, conducting citizen science experiments that directly impact their understanding of marine ecosystems.

Learning about marine life and the delicate balance of the ocean, fostering a sense of environmental responsibility and stewardship.
